

ISIMET

Monitoring Lamp Panels

MLP-1

Model # MLP-1-R-A
Single Red Lamp W/ Optional
Audible Sounder Shown

The *ISIMET* Monitoring Lamp Panel features a 24V lamp and optional 80 dB audible sounder mounted onto a Stainless Steel Wall Panel. A wall box with mounting brackets is provided.

The MLP-1 is intended for use as a remote monitoring indicator positioned outside of the classroom in a highly visible location such as above the corridor doorway. We recommend that the unit be mounted at a height that discourages incidental tampering that allows for ready view from occupants within the passageway.

Enclosure Specifications:

Wall Panel – Stainless Steel 16 gauge (5.75" X 5.75")

Wall Box Enclosure – 16 gauge powder coated sheet metal (5 X 5 X 3)

Wall Box Enclosure – Optional 16 gauge Stainless Steel (5 X 5 X 3)

MLP-2

Model # MLP-2-R-G
Dual Lamp
Red & Green Shown

The *ISIMET* Monitoring Lamp Panel features dual 24V Lamps mounted onto a Stainless Steel Wall Panel. A wall box with mounting brackets is provided.

The MLP-2 is designed to work in conjunction with an *ISIMET* DLA Controller to give a visual indicator of the controlled restroom. The green lamp indicates that the water supply to the restroom is turned on, and the red lamp indicates that the water supply to the restroom is turned off. We recommend that the unit be mounted at a height that discourages incidental tampering that allows for ready view from occupants within the passageway.

Enclosure Specifications:

Wall Panel – Stainless Steel 16 gauge (5.75" X 7.75")

Wall Box Enclosure – 16 gauge powder coated sheet metal (5 X 7 X 3)
